

KANSAS CITY CHIEFS ROOKIE CLUB TO VISIT CHILDRENS CHARITIES ON DECEMBER 17
Children's Center for the Visually Impaired, Children's Therapeutic Learning Center, YMCA,

WHAT: Event day offers the opportunity to see 16 Chiefs rookies interacting with children throughout three organizations. The players will decorate cookies at Children's Center for the Visually Impaired, participate in a holiday craft with the kids at Children's Therapeutic Learning Center, and lead a Play60 activity with the YMCA children.

9:30 - 9:45 a.m. Information Session in the Children's Center Campus Board Room: Brief presentation from each agency.

9:45 - 11:00 a.m. 3-4 players will be assigned to each agency and will rotate between 2-3 classrooms.

WHEN: **Tuesday, December 17**
9:30-11 a.m.

WHERE: Children's Center Campus
3101 Main Street
Kansas City, MO 64111

VISUALS: Media is invited to observe and interact with the Chiefs Rookie Club and children as they participate in different holiday activities at each agency. Video and interview opportunities will be available.

Additional visuals include:

- Informational session
- Interviews with representatives of each agency

ABOUT THE CHILDREN'S CENTER CAMPUS

Built in 1998 and made possible by the generosity of Hallmark Cards, The Children's Center Campus houses three agencies committed to improving the lives of young children in Kansas City. Children's Center for the Visually Impaired (CCVI) prepares children with visual impairments, including those with multiple disabilities, to reach their highest potential in the sighted world. Children's Therapeutic Learning Center (Children's TLC) provides individualized educational and therapeutic services for children with developmental delays, disabilities or a medically fragile condition. The YMCA provides an engaging environment for children to explore activities in literacy, mathematics, science, social studies, arts technology, healthy habits and social, moral and spiritual development.
